Andrew O provided an update to grants available;  
(Stuart will contact the CLIP grant office for update since information has not yet been  
received.)

The Stollery Foundation (Geoff) was spoken to explaining the situation, and information  
gained on how to proceed to next steps.

The ECL Foundation provides grants from approximately \$87,000 to a maximum of  
\$250,000 – more information is needed.

The Newsletter was distributed late due to an over constraint.

A new net has been placed on the tennis courts.

The Porta Potty has been placed.

Finances remain stable – Peter continues with little odd jobs for the area. The Solar Panels  
are working well, generating good energy.

Meeting adjourned due to attendance.
